

A HOME WHERE PERUNA IS USED.

Residence of Mr. C. Hallock, Antwerp, Ohio.

One of the Many Thousand Homes Where Peruna is a Popular Household Remedy.

MR. C. HALLOCK.

CATARRH OF THE HEAD.

Mr. C. Hallock, Antwerp, Ohio, writes: "My daughter, Allie, after taking three bottles of your Peruna, is entirely cured of catarrh of the head of two years standing. "We have used Peruna as a general tonic, as well as for catarrh, and are well pleased with it, and recommend it to anybody who has catarrh. "Anybody wishing any information can write to me."

Could Take No Food.

Mr. William F. Burke, 1365 Frankford Ave., Philadelphia, Pa., writes:

"On the 19th of February, 1901, I was taken with cramps that extended from just below my throat to the bottom of my stomach. They were so severe that my wife had to go for a doctor about two o'clock in the morning.

"I had from February until July of that year three doctors, and they were giving me medicine for kidney, liver and bladder troubles, and after taking all kinds of their mixtures, in the month of July I could neither eat nor drink. For three weeks I had not taken a morsel of food except in a liquid form. At the end of that time I could not drink milk or water except in small sips, which caused me great pain.

"I had given up all hope of living more than a week or two at most. I told my wife I thought I had catarrh of the stomach. She seemed to think so too, and having read of Peruna I decided to give it a trial.

"I took several doses that evening, and for the first time in weeks rested fairly that night.

"I kept on using Peruna as I had started, and after using it three days and nights the pains in my chest and stomach disappeared, and they have never appeared since, and it will be two years this July."

Pe-ru-na Relieved All Symptoms.

Mr. J. C. Crumpacker, R. R. 1, Kokomo, Ind., writes:

"I can say that I have nothing to complain of now. I feel well, rest well at night, have a good but moderate appetite, can eat almost any kind of food. "I have no aches or pains anywhere, and can do some kind of work every day. I must say I can stand as much fatigue as I ever could, and feel good over it. "The hemorrhage has yielded to Peruna, the grip has done the same, as well as pains and aches of all kinds. "The roaring noise has entirely left my ears and head, my mind is clear, my recollection good, my bowels are regular, and I just simply feel easy all over. "The cure of my case was surely a victory."

Catarrh of Long Standing.

Mr. C. A. Reustrom, 570 Seventh St., Ogden, Utah, writes: "I take great

pleasure in stating to you that your medicine, Peruna, has completely cured me of a long-standing case of catarrh.

"I had consulted noted doctors without any relief. By persistent urging of a friend I commenced the use of your wonderful Peruna with the best of results, and today I highly recommend it to any one suffering from catarrh in any form.

"As for myself, I suffered untold agony, but today I feel as spry as any one, with more ambition and confidence in myself than I have enjoyed for years.

"All my friends say I look better than ever before, and I urge them all to try Peruna, and have sold dozens of bottles with the greatest of satisfaction.

"Your Peruna is the greatest tonic and builder for a broken-down constitution arising from that dreadful disease, catarrh."

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to an average dose of Peruna.

100 CONVERTS

At Men's Meeting Addressed by Dr. Jenkins.

The Louisville Times has this notice of a revival meeting in Louisville Sunday:

The mass meeting for men at Macauley's proved the biggest meeting of the revival. More than 1,000 men attended the service, which was addressed by the Rev. Millard A. Jenkins, of Athens, Ga., who delivered a strong sermon on "A Man in Ruins." At the conclusion of the service more than a hundred men went forward and professed faith. The meeting was called to order by the Rev. W. M. Bruce, of Hope Rescue Mission. Mr. Bruce also led the singing.

The Rev. Jenkins bitterly flayed the critics of the Bible, and declared the men who had said the Bible was in parts unfit for reading and was no more inspired than any other literature, were closing the doors of God.

NOT RAISED.

Compromise Not Settled In the Birmingham Night riders Cases.

Paducah, Ky., Nov. 18.—Owing to the fact that the defendants had failed to raise the compromise sum agreed on the night rider damage suits of Mary Scruggs, Nat Frizzell and L. A. Baker, negroes, who sued seventy-one alleged night riders of Marshall and Lyon counties for a total of \$125,000, were not settled Saturday. The attorneys in the suits have returned from Marshall county, where they met representatives of the defendants, and they report that it is doubtful if the agreed sum can be raised. The defendants are said to be in poor financial circumstances. It is said the amount of the compromise was \$2,900 cash, payment of court costs and attorneys' fees. The cases will be continued in the United States Court here this week to give the defendants an opportunity to raise the money.

The Youth's Companion Calendar For 1909.

"In Grandmother's Garden" is the title of the beautiful picture painted by Charles C. Curran for the Youth's Companion panel calendar for 1909. It is printed on the finest finished stock, by the most recent methods of lithography. All the strength and beauty of the original painting are faithfully shown by employing thirteen separate colors. This is the largest calendar that The Company has ever issued, the picture alone measuring 8 inches in width and 24 inches in length. Below the picture are arranged the twelve months. Great care has been taken to make the date figures legible, and to issue a practical and useful, as well as an artistic, calendar. The calendar is given to all those who pay their subscriptions to the Companion for 1909.
